New Method of Safety Confirmation

In the event of a large earthquake,
you will now receive the university's
message on

Doshisha University Portal

Make sure to install the app ASAP!

(When you received a safety confirmation request from the university,
please respond via the app or the web browser)

Download the app here

Don't forget to turn on the
push notification!

Access the Web version
here

<https://portal.doshisha.ac.jp/>
or via the university's Web single sign-on service!
