Wanna have a cute Pet? Let's make "Pet Wood" for yourself - an original pet only for you! Having your own pet without any additional costs is Amazing. All you need is to give it lots of LOVE! This event based on Pet Rock - a popular culture in the U.S. around the 70's. In this event, you can make your own pet by decorating a wooden egg, and show them off to the other "pet" owners. We are looking forward to seeing you!
