

人とAI：その共存と良心

Humans and AI : Coexistence and Conscience

Toward a Future Where Humans and AI Develop Together
for the Improvement of Society

March 11, 2025
13:00-15:00

The 5th International Symposium, themed “Humans and AI,” will explore the future where humans and AI evolve together, fostering the development of society as a whole. Experts from various fields will engage in discussions from diverse perspectives. We look forward to your participation!
