Includes Application Guidelines, Programs, Application Forms, FAQ, etc.

https://rd.doshisha.ac.jp/rd/inside/wakate/spring/call_for_application.html

※ A new project, the "2027 Next-Generation Researcher Development Project for Leading Multidimensional Innovations," will be launched in the 2027 academic year as the successor to the "Support Program for Pioneering Research Initiated by the Next Generation Researchers in Doshisha University Doctoral Course," which ran through the 2026 academic year. With the launch of a new project starting in the 2027 academic year, there will no longer be calls for applications for the "Support Program for Pioneering Research Initiated by the Next Generation Researchers in Doshisha University Doctoral Course."

Contact **SPRING Management Office（Organization for Research Innovation・Department of Research Administration）**
※ Inquiries for Applications, accepted only through the "Question Form"
