### To newly enrolled international students who hold "STUDENT" status (That is, admission without taking the entrance exam for international students)

#### Important announcement for registration for scholarships and application for reduced tuition

Newly enrolled international students who hold **STUDENT** status might be eligible for a scholarship or reduced tuition, even if you did not take the entrance exam for international students.

If you would like to submit a registration form for scholarships or apply for tuition reduction,

please make sure to submit required forms before certain deadlines via Web Form. (Scholarship and reduced tuition are not available for government sponsored international students and special students.)

If you fail to submit these documents on time, you will lose your opportunity for the application. You can find more information about the required documents and how to submit on the web page of OIS.

\*Current international students holding STUDENT status who have never received the reduced tuition might be eligible for this. For further information, please contact the Office of International Students.
