Report: "Speak Up!" (presented by SIED)

Updated Feb. 14, 2019

SIED hosted "Speak Up!" during lunchtime on Tuesdays throughout the spring and fall semester at the International Community Lounge on Kyotanabe campus.

Every Tuesday, International students from all over the world and local students socialized in Japanese and English while having lunch. SIED staff presented different topics every week, and participants talked about it or any other topics they are interested in. We hope that the event allow all participants to make new friends or expand their perspectives.

On December, we held "Let's talk about your home town!" and "What's it like in Amherst College, America?" as special version of "Speak Up!" SIED host many interesting intercultural events. We are waiting for you to join us!
